

National Commission for Women, New Delhi

19.02.2018

Subject: Training programme of newly recruited contractual staff in the National Commission for Women (NCW).

Keeping in view the requests received from a number of persons to whom offers have been given for contractual appointment in the NCW against the post of Investigators/Research Officers, Counsellors and JTEs, it has been decided to postpone the Induction Training by a week. Fresh date for the induction programme will be intimated separately.

In the meantime, the newly recruited contractual staff are being placed in different Cells for On the Job Training on rotation basis.
