

NATIONAL COMMISSION FOR WOMEN

PRESS NOTE

In view of the recent floods in Kerala and the devastating loss of life and property, the officials and employees of the National Commissions for Women (NCW) have decided to contribute their one-day salary towards relief measures and operations in flood-hit Kerala.

The Hon'ble Chairperson and other senior officers of the Commission have also taken a decision to contribute a fraction of their one-month salary to relief operations.

Chairperson Smt. Rekha Sharma said, "I thank all the officials and NCW staff for this kind gesture. I appeal to all my colleagues in the State Commissions for Women across the country to do their bit to help Kerala in their time of need."
