**PRESS NOTE  
07TH JANUARY 2020**

**7th January 2020: NCW Press Release on Nirbhaya Case:**

National Commission for Women appreciates and welcomes the verdict of the Honorable Supreme Court decision against the four convicts in 2012 Nirbhaya'sGang-Rape and Murder case.

The issue of death warrant is a huge win for the women of our country and hopefully this historical verdict would stop and minimize such heinous crimes against women in future. We are proud that justice is obtained. The statement of death warrant strongly states that India will listen to violence happening against women and National Commission for Women would continue to work on policy reforms towards protection of women safety and rights in India. The execution will empower the women as the decisions of Supreme Court have strengthened the trust of people in the judicial system. NCW welcome this decision and salute the victim parents for their continued pursuance to fight the long battle for seven years.
